5th Annual MotoSAT
DataStorm Users Rally
October 21\textsuperscript{st}-27\textsuperscript{th}, 2007

Welcome to Tucson Arizona
& Beaudry RV Resort

Sponsored by
Welcome Rally Attendees

This brochure contains a summary of the DataStorm Users Rally seminars and meals. Some functions or sessions may be changed as necessary. Please check in the Event Center each morning for any changes in the day’s activities.

The seminars, training sessions and meals will be in the Event Center, located Northeast of the RV Park north entrance.

Your registration fee (separate from the campsite fee) covers the meals and beverages during the course of the rally.

See your packet for additional details on the menu.

You MUST be present to win the GRAND PRIZE

---
Sunday October 21st, 2007
---

Noon – 5:00 pm

Tuesday October 23rd, 2007

8:45 am – 10:30 am
Troubleshooting When Your System Doesn’t Work – Royal Lamb and Ed Travis
What do you do when you press the POWER button and nothing happens? What if the dish just keeps searching and searching…What do you do? The dish locks onto the satellite but I can’t get on to the internet…Now What? The dish won’t move…What am I going to do NOW?

10:45am – 11:45 am
**RV Internet: Satellite, WiFi, Cellular Pro’s and Con’s** – Jim Guld, Michael Day, Scott Whitney
Comparison of the three most popular ways to access the internet while on the road. Decide which is best for the way you use the internet and the places you travel.

*Spouses Program: Tips for Banning Seasonal Boredom; Illness/Recovery in an RV – Georgia Day
Banning Boredom: Simple changes in color and home accents can give your RV a brand new look! Come share your ideas and techniques. Illness: Absolutes you need to know before, during and after a major illness or surgery.

Noon – 1:00 pm
Lunch: Barbecued Pork Sandwiches

1:30 pm – 3:00 pm
**iDirect/VoIP – Is it for You?** – Don Bradner
Voice over IP can be a blessing or a curse. What to expect from VoIP, especially in conjunction with iDirect service

*Developing A Travel Blog – Chris Guld
“Every RVer Needs a Blog! ” A quick and easy website to post your photos and tales of your travels. All your family and friends can follow along. Learn how to develop yours.

3:15 pm – 4:45 pm
**Network Your Internet Connection** – Don Bradner
Like to share your internet connection with others in your RV or with other RV’ers? Find out how!

*Spouse Program: Hobby Area
One of the Hobbies identified in the Monday session will be covered.

6:00 pm – 7:00 pm
Dinner: Spaghetti & Meatballs
**Wednesday October 24th, 2007**

**8:45 am – 10:15 am**

*Understanding Transmit and Receive Codes – Tim Gibbs, MotoSAT*

Which codes are ‘friendly’ and which are not? How to tell the difference between them. What to do when a ‘not so friendly’ code pops up. How to use the codes for best results.

*Spouse Program: Cooking Indoors and Out – Georgia Day*

Round-table sharing of information and ideas. Bring your favorite recipes and email addresses. Who knows – we may create a DataStorm Users Cookbook before we are through.

**10:30 am – Noon**

*Controller Configuration (Advanced) – Ed Travis*

Should you even touch your controller? Set up your controller to do what you want. What are my options? Which ones do I need? Learn the mandatory fields and what they mean. Learn to do an “NV” clear and to find the information needed to set up the controller properly.

*Spouse Program: Working and Living in an RV – Georgia Day*

Whether part-time or full-time, you can truly have the best of both worlds. This may be your lifestyle solution.

**Free Afternoon**

Sightsee, have tech support performed or just enjoy the attractions in and around the Tucson area.

</thead>
<tbody>
<tr>
<td><strong>8:45 am – 10:15 am</strong></td>
<td><strong>Technical Q&amp;A – Panel of Installers/MotoSAT</strong>&lt;br&gt;Open discussion with a panel of experts with years of experience. Now is the time to ask the questions you have about mounts, controllers, dish size, service plans or anything else related to your DataStorm system.</td>
</tr>
<tr>
<td><strong>10:45am – 11:45am</strong></td>
<td><strong>Safe Computing – Jim Guld</strong>&lt;br&gt;Remember BUCS, as in Backup, Update, Cleanup and Scan. Like a car tune-up, if you do it regularly your computer will run much better. Combine that with learning what to click on and what not to click on and you can do a pretty good job of remaining virus-free as well.&lt;br&gt;<strong>Spouse Program: Hobby Area</strong>&lt;br&gt;Another of the hobbies identified Monday will be covered.</td>
</tr>
<tr>
<td><strong>1:30 pm – 3:00 pm</strong></td>
<td><strong>Developing a Basic Website – Chris Guld</strong>&lt;br&gt;Blogs are the easiest way to get started publishing on the web, but, if you want more - this seminar will show you how. It will explain the tools you need: domain name, web host, html editor, ftp software and image editor. We will give examples of each.&lt;br&gt;<strong>Spouse Program: Organizing – Different Strokes for Different Folks – Georgia Day</strong>&lt;br&gt;A round table discussion to share ideas, inventions, and creative solutions to organizing your RV to increase your playtime.</td>
</tr>
<tr>
<td><strong>3:15 pm – 4:45 pm</strong></td>
<td><strong>Service Plans – Which Is Right for You (Hughes, Surfbeam, iDirect) – Maurice Rojas</strong>&lt;br&gt;Is the plan you currently have the right one for you? What are the options? What are the specific differences? Why do the costs vary so much?&lt;br&gt;<strong>Picasa (Google’s Photo Manager) – Chris Guld</strong>&lt;br&gt;From the Camera to the Web - Picasa handles it all. It’s <em>fast</em>, <em>easy</em>, and <em>free</em>. Find pictures you had forgotten about with Picasa's 'Library View' and Search capabilities. Send email and automatically resize photos accordingly with a single click. It is single-click easy to print, backup photos, make a web album, or make slide-show CDs.</td>
</tr>
<tr>
<td><strong>6:00 pm – 6:45 pm</strong></td>
<td><strong>Dinner: Pork Loin with Apple Chutney</strong></td>
</tr>
<tr>
<td><strong>6:45pm – 7:15pm</strong></td>
<td><strong>Door Prize Drawing</strong></td>
</tr>
</tbody>
</table>

7:00 am – Checkout: Have a safe trip.
Noon See you at the 6th Annual DataStorm Users Rally.

Acknowledgements:

• A special thanks to all who attended this year’s rally.

• Thanks to Don Bradner for his continued contributions to the mobile satellite community though his creation of the DataStormUsers forum at http://www.datastormusers.com. Don continues to host the forum web site as administrator/moderator and generously provides server space.

• Thanks go out to MotoSAT for their support of this rally and for the creation of the DataStorm.
  o Jim Pendleton, President, MotoSAT
  o Royal Lamb, Vice President of Production, MotoSAT
  o Ed Travis, Vice President of Engineering, MotoSAT

• Special thanks to our Volunteer Coordinator, Beth Pany.

As your hosts, we hope you enjoyed this rally and hope to see all of you at future rallies. Safe travels to each of you.

Your 2007 Rally Hosts:
  Don Bradner
  John & Ruth Cabral
  Michael & Georgia Day
  Allan & Susan Wilson
